- The special nature of a Private School requires that the Commanding Officer be a member of the faculty, have a thorough working knowledge of the school community, and have some military background. In addition, the school believes that a sense of continuation is important in the Cadet Unit as it is in other areas of the College. We feel that in a years time we will be able to effect a change in command. A change in command at this time would not be in the best interest of the Corps. We respectfully request that serious consideration be given to this request for extension of tenure.

TENURE OF CADET CORPS COMMANDING OFFICERS
418 593 732 MAJ E.J. ROSE - 162 RC(ARMY)CC

Reference: A. Annex C to CFAO 49-6

1. Reference A directs the Region Commander to "appoint a Commanding Officer of a cadet corps for each cadet corps within the Region for a term not exceeding three years". By 31 Dec 79, you will have completed three or more years of honourable service as Commanding Officer of your corps and you should decide now whether you wish to retire or seek an extension as Commanding Officer.
2. The overriding consideration must be the welfare of the corps. If a capable and qualified officer is available, that officer should be considered for appointment as Commanding Officer. If a change of command at this time would not be in the best interest of the corps, however, you may request an extension through your Sponsor. This request must be fully substantiated by you and by your Sponsor and detail why you are requesting an extension.
3. In either case, your intention and substantiation (if applicable) should be stated on Form CF-574, Cadet Instructors - Personnel Document, and submitted through normal channels to your Sponsor, Provincial League, Area Office and SSO Cadets in that order. One Form CF-574 is required for an extension request. Two Form-574s are required for a change of command - one for the retiring Commanding Officer and one for the incoming Commanding Officer.

Dear Dr. Lewis,

Thank you for your thoughtful letter of the 11th of June. We will certainly bear Colonel Hayter in mind for the Inspection in 1980, and he sounds an excellent prospect.

Please excuse a brief note at this busy time.
With all good wishes,

Yours sincerely,

Dear Mr. Bradley:

I am submitting a request of a proposed Inspecting Officer for the Annual Inspection of the Ridley College Cadet Corps, to be held presumably in May, 1980. He is

Colonel John C. Hayter C.D.
Base Commander
Canadian Forces Base London
London, Ontario
N5Y 4T7

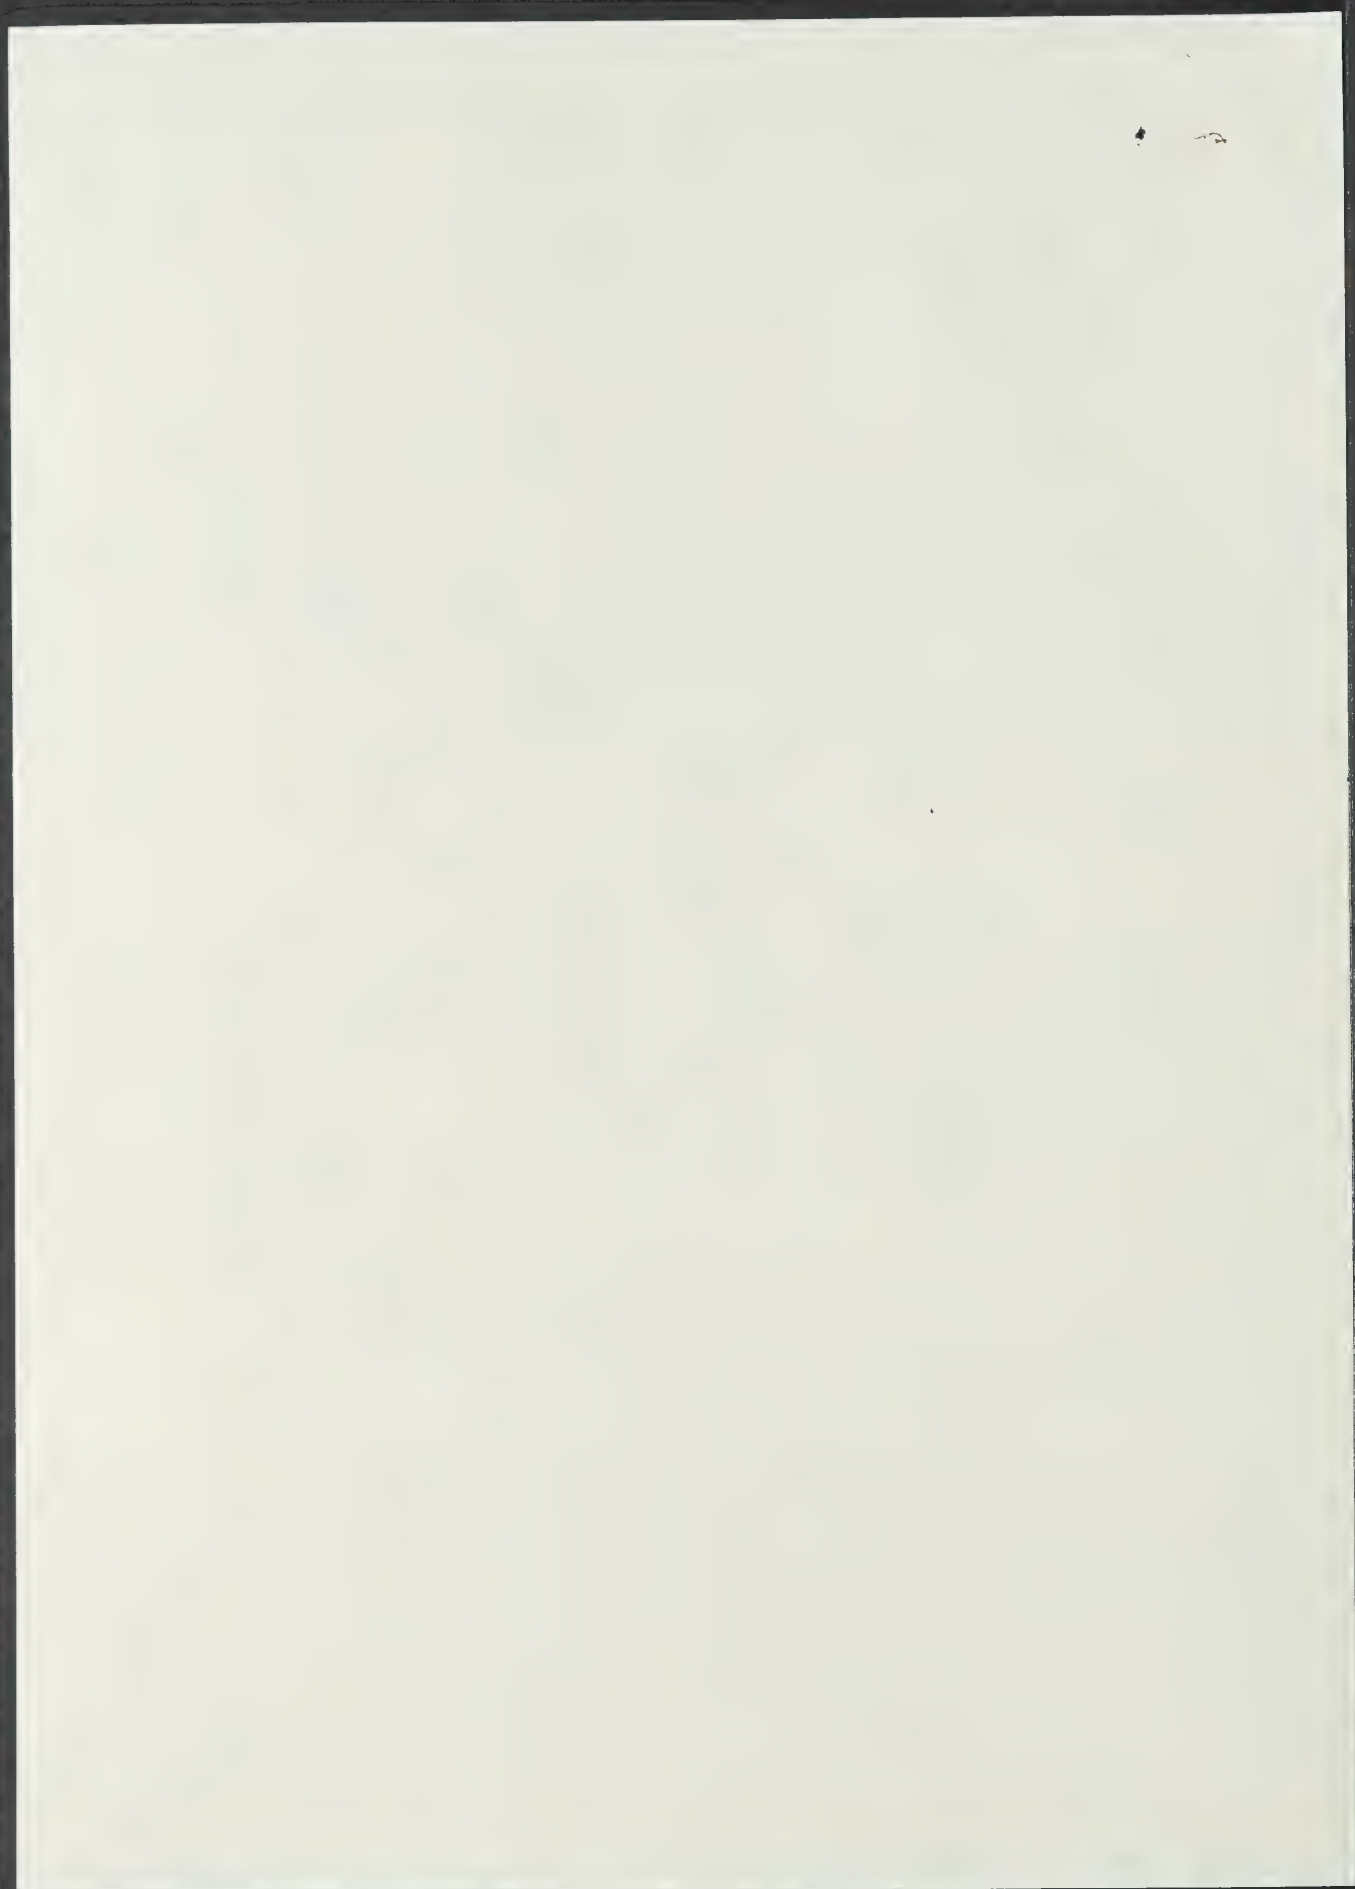

I have known Colonel Hayter for years and I am pleased to strongly recommend him for this service; he is an extremely skilled and talented Base Commander with an excellent and most appropriate personality and a relaxing sense of humour. Respectfully submitting this matter for consideration, I remain

Most sincerely yours

Dear Captain Paxton,

Thank you so much for your letter of the 4th of June, and for your kindly invitation. Unfortunately, my wife and I will not be able to be present on the 21st of June. But I understand that Major Rose, the Commander of our Cadet contingent, will be there and I have asked him to represent me.

I should just like to add that I am delighted that these three students from Ridley are coming to R.M.C. They are all good people, and should be an asset to the services. Perhaps they will also re-affirm the traditional link between Ridley and R.M.C., which has been low-key for so many years.

I thank you once more for your generous invitation and send all good wishes for the occasion,

Yours sincerely,

Dear Mr. Bradley:

It is sincerely hoped that you will be able to attend the Ceremony at Fort George on 21 June, 1979 at which Thomas Forster, Duncan Knight and Frank Moger will be enrolled into the Canadian Forces under the Regular Officer Training Plan.

If you are unable to attend it would be appreciated if another member of your staff could represent your school.

The Fort will be open to the Public at this time; however, seating will be provided for you (2 seats).

It is regretted that more people from the school cannot be invited as Guests at the Ceremony and Reception; however, we would welcome their attendance as part of the Public Audience.

The ceremony will include demonstrations by the Fort George Guard, an element of the Canadian Airborne Regiment and the Lincoln and Welland Regt Band and will end with a Sunset Ceremony at about 2200 hrs (10 pm).

When entering the Fort please proceed directly to the seated area and present the enclosed invitation.

We ask that you arrive before 8 p.m. so that you may be seated prior to the arrival of the Reviewing Officer.

Yours truly,

Dear Richard,

I am writing to thank you personally for the splendid way in which you conducted the Cadet Inspection. Your interest in every aspect of the school's activities was very much appreciated, and you managed to give recognition to an astonishing number of students. You also handled the question of the half-holiday with a very keen sense of drama! I can assure you that it was very much appreciated by everyone.

I should also like to say that we were particularly grateful for your giving time to this, when it was manifestly clear that you were having a desperately hectic weekend. We appreciated all the time that you and Mary-O gave to us on that occasion; and I hope you were able to have something of a rest on the way back to Toronto that evening.

I was sorry that you were unable to meet a young man from England who is spending a term at Ridley. He is a Housemaster from an English Public School, and it is a pleasure to have him with us. He is also a Squadron Leader in the R.A.F.V.R., though he is not a pilot. I was just wondering whether there is any opportunity that he might be able to accompany a flight from the R.C.A.F. going up to some destination in the Arctic. It would be a wonderful opportunity for him, and something which I know he would very much appreciate. He has had a great deal of experience with R.A.F. Cadet work at his school in England, and has also led climbing and camping expeditions in various parts of Europe and Morocco. He is certainly an enterprising man. If there is any possibility that he

Dear Richard

The arrangements confirmed in your letter of 28 March 1979 are most satisfactory.

It is indeed likely that because we must travel from Windsor on the morning of the 4th where I will have attended functions in my capacity as Chancellor of the University, we will in fact arrive around 12:30.

Mary-O and I look forward to being with you.

Yours sincerely,

Richard

MAJOR GENERAL RICHARD ROHMER, CMM, DFC, CD, QC.

MGen Rohmer is:

The Chief of Reserves of the Canadian Armed Forces
The Chancellor of the University of Windsor
A Commander of the Order of Military Merit
A practicing lawyer/Queen's Counsel
A best selling author of fiction and non-fiction books

MGen Rohmer was born in Hamilton, Ontario. He graduated from the University of Western Ontario and Osgoode Hall and was called to the Bar of Ontario in 1951. He was created Queen's Counsel in 1961 and was called to the Bar of Northwest Territories in 1970. His personal law practice has been principally as Counsel in transportation, land use and municipal law. MGen Rohmer is Counsel with Frost and Redway, Barristers and Solicitors, in Toronto.

MGen Rohmer was elected Chancellor of the University of Windsor in June, 1978. He was Chairman of the Royal Commission on Book Publishing (1970-72) and was Counsel for the Royal Commission on Metropolitan Toronto (1975-77).

He is a member, Board of Directors: Ontario and Northern Ontario Development Corporations; Claude Neon Industries Limited; Canadian Corps of Commissionaires, Provincial Council of the Order of St. John (and an Officer Brother of the Order).

He is principal founder and chairman of Ascension Charitable Foundation, which operates Thompson House, a charitable home for the aged for 140 residents, and Taylor Place, a senior citizens' recreation centre, both in Don Mills.

He is the best selling author of:

Fiction; 'ULTIMATUM' 1973, 'EXXONERATION' 1974, 'EXODUS/UK' 1975, 'SEPARATION' 1976.

Non-Fiction: 'The Green North: Mid-Canada' 1970, 'The Arctic Imperative' 1973,
'E. P. Taylor' 1978.

For his work throughout the North he was given the Commissioner's Award for Public Service to the Northwest Territories in 1972.

MGen Rohmer served with the RCAF as a fighter pilot during the period 1942-45 and was awarded the Distinguished Flying Cross in 1945. He served in the Royal Canadian Naval Reserve 1946-48. In 1950 he returned to the RCAF, joining the Auxiliary in Toronto, flying Vampire jets, and commanded 400 Squadron (City of Toronto) and 411 Squadron (County of York) in 1952-53. He retired in 1953 as a Wing Commander. In 1971 he again associated with the Canadian Armed Forces as Honorary Lieutenant Colonel and later Honorary Colonel of 411 Air Reserve Squadron.

On 1 April 1975 he was promoted to Brigadier General and appointed Senior Air Reserve Advisor to the Chief of the Defence Staff and the Commander of Air Command. On 1 April 1976 he was appointed Commander of the newly formed Air Reserve Group in Air Command. On 31 January 1978 he was promoted to the rank of Major General and appointed The Major General Reserves responsible to the Chief of the Defence Staff for the Militia and the Naval, Air and Communications Reserves. He was made a Commander of the Order of Military Merit in December 1978.

MGen Rohmer is the last pilot serving in the Canadian Armed Forces to hold the Distinguished Flying Cross from World War II and to have flown the famous Spitfire and Hurricane aircraft of that era.

His wife, Mary-O, is a member of the Board of Trustees of the Royal Ontario Museum and of Campbell House, a project of the Advocates Society. Daughter Catherine will be called to the Bar in early 1979. Ann Rohmer is a flight attendant with Air Canada and is also a successful TV commercial performer.

Dear Richard,

I am writing to thank you most sincerely, for agreeing to be the Inspecting Officer on the occasion of our Annual Cadet Parade. It will be a great honour to have you here, and I know the students will want to put on as good a show as possible for you.

The arrangements for the day are as follows:

At 11:30 a.m., there is a sherry party in the Headmaster's House of the Lower School, run by the Ridley College Women's Guild.

12:30 p.m. Lunch in the Lower School Dining Hall, to which the visiting General is invited.

1:45 p.m. We excuse ourselves from the luncheon and return to the Headmaster's House at the Upper School, to prepare for the Parade.

2:15 p.m. The Inspection and March Past take place. This is followed by demonstrations of activities. We are hoping this year that we may have the Ridley Cavalry in action for the first time!

The Parade re-assembles for the awards, which you are asked to give. We then hope that you will address the school.

4:15-4:30 p.m. Completion of formalities.
I hope you will be able then to stay long enough to meet the Cadet Officers for a drink at the Headmaster's House.

I understand that you may not reach Ridley until approximately 12:30. In that case, may I suggest that you come directly to the Headmaster's House at the Lower School, where I will be waiting to greet you. The Lower School is the large building on your left, as you enter through the Marriott Gates. The Headmaster's House is at the end nearest to you.

I am enclosing a copy of the Ridley College Prospectus, in case you wish to review some of the activities and present intentions of the school. Please let me know if I can supply further information.

We are delighted that your wife will be accompanying you. With all good wishes,

Yours sincerely,

2. COMMANDING OFFICERS REMARKS - REMARQUES DU COMMANDANT

This year the Corps continued to emphasize character building and outdoor programmes. In addition to the standard training subjects an excursion week was added which incorporated Duke of Edinburgh Subjects and mandatory Cadet Subjects. This experiment was most successful and will be repeated in the next training year. The Communications section was provided with spacious new quarters and an equestrian unit trained in Hamilton with hopes of providing a new dimension at Annual Inspection. It is the wish of the equestrians to form a stronger unit next year and get an earlier start on week-end training. Fifty Cadets received Emergency First Aid Certificates, fifty-five took Driver Training and thirty-three fired FNs at the Niagara range. (Continued on page 2)

3. SPONSORS REMARKS - REMARQUES DU RÉPONDANT

I continue to be gratified and impressed, both by the variety of activities undertaken by the Ridley College Cadet Corps, and by the commitment of its leadership. This includes both the staff members and instructors, and the present student leadership. I commend particularly the energetic and conscientious leadership of Major Rose.

4. INSPECTING OFFICERS REMARKS - REMARQUES DE L'OFFICIER INSPECTEUR

Turnout, bearing, drill and overall performance were well above average. The enthusiasm that was displayed by the cadets was, in my opinion, outstanding. Display were well prepared and presented.

The overall organization of this inspection was excellent.

It was indeed a distinct pleasure to meet these cadets and their parents, who obviously give a great deal of moral support to the cadets.

The Ladies Guild deserve a special vote of thanks for their hospitality.

NAME - NOM	DATE	SIGNATURE
BGen A. G. Christie	12 May 78	Original signed by BGen A. G. Christie

One hundred and eight Cadets completed a small arms safety programme and fired on the indoor range. In addition, a team of fifteen Cadets formed a special group which fired regularly for DCRA competition. Another group of dedicated Cadets trained for Royal Life Saving Certificates. Six Cadets earned the Bronze Medallion and five received the Award of Merit. Special mention should be made of a group of sixteen young men and women who give up one night each week to work with children with learning disabilities as part of their D.of E. Service requirement.

Expeditions of one to four days duration took place during the year and several will take place in the spring and summer months. Preparation for these expeditions takes place during the winter with in-class training. Winter survival is also taught and winter expeditions are mounted. This at times includes skiing, and two of our Cadets entered the Cross Country Ski competition at C.F.B. Borden this year and placed first and second.

The band continues to improve and to increase the variety of instruments. The band performed at the opening of the new rink and gymnasium complex this winter and received many fine compliments.

The most interesting experiment this year was the institution of an excursion week. During this week the entire student body was committed. Phase 1 Cadets all take part in a sixteen mile expedition sometime during the year. They took advantage of this week to go on a citizenship tour of Ottawa. Phase 2 Cadets (83) attended a four day camping instruction period at Kandalore, Dorset. Phase 3 Cadets spent five days at a retreat centre in Paris Ontario where they underwent a course in Leadership training given by a group of professionals. Evaluation of this week showed that it was a most valuable exercise. A great deal of continuous instruction was applied and new skills were learned and immediately used.

The spirit of this unit remains high, and I am impressed by the quality of leadership given by the Cadet Officers and NCOs. This Cadet Corps has gathered strength during this year and it is hoped that this welcome trend will continue.

OFFICIER DES CADETS DU SECTEUR: Remarques générales sur l'entraînement, l'administration, l'approvisionnement et les progrès de l'unité.

This corps has made significant progress this past year, and the level of knowledge of the officer is increasing. The overall performance of this unit has improved significantly.

Training - The annual training plan has functioned very well. The unit is working very hard to improve the level of training. This corps is expanding in the areas of range work and outdoor training.

Supply - This unit is now starting to submit demands for which it is entitled and is using this equipment to support its training activities. The organization that is currently set up is functioning very well given the large number of cadets on strength.

Admin - The admin system requires some work in terms of speed of replies and returns but other than this, it is working well.

ANNUAL INSPECTION

The Annual Inspection was very well done, with an excellent parade. The cadet turnout was impressive, and the uniforms to a very high standard. The displays and reception were well done and informative. The cadet band is to be commended for its fine showing and should be considered a nominee for the NACC Banff Band.

QG DE LA REGION: Remarques

This unit has done very well during the past year and my congratulations on your winning the Strathcona Shield this year. The improvements in this unit over the past few years are commendable, and your efforts to utilize the program to the maximum benefit are equally so.

The efforts of your officers and cadets prove once again that, with leadership and determination, the private schools can have good and meaningful cadet training programs.

Again, my congratulations and best wishes for continued success next year. Well done!

May the above students please have permission to drive people in the Equestrian Unit to and from lessons on Monday nights?

They have been told it is important not to abuse this privilege if it is granted.

List attached

I think these people are all responsible and interested enough in the riding program to be sensible about cars. We may have a temporary problem of control when Jane goes to England. I'll try to get a staff replacement for that period of time. Any suggestions?

SUBJECT: EQUESTRIAN TEAM

Dear Parent:

Your son/daughter has chosen Equestrian Training as a Cadet and Duke of Edinburgh Program option.

This training will take place on Monday nights at Henderson Stables, about ten minutes from Ridley.

The students will be instructed in English and military riding at various levels according to their ability.

The cost of this instruction is \$6:00 per lesson. From time to time there may also be a small charge for transportation.

If you do not wish your son/daughter to take part in this program or if you wish further information, please contact me as soon as possible. The program will begin October 23rd.

Sincerely,

E. John Rose, Major

October 12, 1978

To: The Rev. E. J. Rose.

Dear Jack,

I am extremely sorry that I am not able to be present for the Mess Dinner this evening. I always enjoy dining with the Cadet Leadership for the year, and helping to introduce them to the pleasures of dining together.

I would be grateful if you would convey my greetings to the guests of the occasion. They are most welcome to Ridley.

I should like also to congratulate the contingent upon its success last year, and express my hope that 1979 will be another year of success.

As you know, I am strongly convinced that the Cadet Programme is an experience of value in the school. It provides an opportunity for leadership, comradeship and the development of a sense of service. We have been fortunate in recent years in having such loyal co-operation both from students and staff.

I shall be thinking of you all,

Yours sincerely,

"Terar Dum Prosim"
